Hi All,

We have a stratospheric intrusion workgroup call scheduled for Tuesday, April 20, 10 am MDT. We have not made much progress on the analysis of the June 1-3, 2014 event, but let's go ahead with a short call to check in on progress, and also check in on a possible stratospheric intrusion in the western US last Friday.

The call number for the workgroup meeting is:

**Conference Line/Code / Ex. 6**

Thanks,  
Gail
